

Joe's House is your guide to help patients find discounted lodging near your cancer treatment center.

Every day more than **3,500 people in the United States** are diagnosed with cancer. Many must travel to cancer centers specializing in their particular treatment needs. Combined with the millions who are already fighting this disease, it means tens of thousands of cancer patients every day throughout the United States are looking for a suitable place to stay.

At Joe's House, we list thousands of places to stay across the country that offer a discount for patients.
